SNU-Mie

Cardiac MR Mini Symposium

Date Saturday, February 11th 2012 15:00~19:00
Venue Auditorium, Biomedical Research Center in Seoul National University Hospital, Seoul, Korea

| 버스

A.창경궁 서울대학교병원 하행 [01002]

파랑(간선버스) : 102, 104, 106, 107, 108, 140, 143, 149, 150, 151, 160, 162, 171, 172, 272, 301, 710

B.창경궁 입구 상행 [01224]

파랑(간선버스) : 151, 171, 172, 272, 601

C.혜화역 서울대학교병원입구 3번출구 앞 하행 [01221]

파랑(간선버스) : 102, 104, 106, 107, 108, 109, 143, 149, 150, 160, 162, 273, 301, 601, 710

초록(지선버스) : 2112, 종로08

D.혜화역 마로니에 공원 앞 상행

파랑(간선버스) : 102, 104, 106, 107, 108, 109, 143, 149, 150, 160, 162, 273, 301, 710

초록(지선버스) : 2112, 종로08, 종로12(병원순환버스)

E. 병원순환버스 (종로12)

주요정차역 : 서울대학교병원본관 → 원남로터리 → 종로5가입구 → 종로4가 → 종로3가역(9번출구) → 돈화문 → 원남로터리 → 서울대학교치과대학 → 서울대장례식장 → 혜화동로터리 → 혜화역3번출구 → 서울대학교병원본관

| 기차 / 공항

– 서울역 (서울역 지하철 4호선 → 혜화역 3번 출구)
– 용산역 (신용산역 지하철 4호선 → 혜화역 3번 출구)
– 김포공항 (김포공항역 지하철 5호선 → 동대문운동장역(4호선으로 환승) → 혜화역 3번 출구)
– 인천공항 ([5B 12] 6011 리무진 버스 → 성대입구하차), (종로12 마을버스 → 본관앞 하차)

Cardiac MR Mini Symposium

Date Saturday, February 11th 2012
15:00~19:00

Venue Auditorium, Biomedical Research Center in Seoul National University Hospital, Seoul, Korea

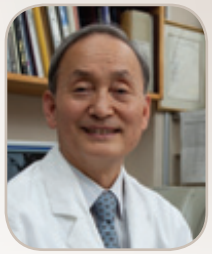

Program Director Jae Hyung Park
(Seoul National University)

Co-director Hajime Sakuma (Mie University)

Host Seoul National University-Duke University
Cardiovascular MR Research Center

SDCMRC
SNU-Duke CV MR Research Center

Welcome message

Dear colleagues,

On behalf of the SNU-Duke Cardiovascular MR Research Center, I would like to welcome you to the SNU-Mie Cardiac MR Mini Symposium on Feburary 11, 2012 in the Auditorium of Biomedical Research Center in Seoul National University Hospital.

Recent advance of MR technology enables us to apply MR imaging diagnosis not only in congenital heart diseases but also in all kinds of acquired heart diseases including ischemic and infiltrative heart diseases. SNU-Duke Cardiovascular MR Research Center (SDCMRC), established in December, 2010, is a research center dedicated for Research and Development for basic and clinical Cardiac MR Imaging to pioneer development of new hard and soft wares for cardiac MR imaging.

Dr. Sakuma and his colleagues in Mie University in Japan are well known leading group of basic and clinical cardiac MR research not only in Japan but also in the world. It is really our pleasure and privilege to have a mini Symposium for cardiac MR research in collaboration with them. I would like to encourage your active participation to this mini Symposium, in which recent update topics for cardiac MR research will be presented. I am sure that it will be a good opportunity not only to increase our knowledge for cardiac MR but also to enhance the research activity of both SDCMRC and Mie cardiac MR research center.

I sincerely look forward to welcoming you to the SNU-Mie Cardiac MR mini Symposium.

Jae Hyung Park, M.D.
Director, SDCMRC

PROGRAM

SNU-Mie Cardiac MR Mini Symposium

3:00 p.m. - Opening remark – Jae Hyung Park(Seoul National University), Hajime Sakuma (Mie University)

Chairpersons Jae Hyung Park (Seoul National University), Hajime Sakuma (Mie University)

Panels Byoung Wook Choi (Yonsei University), Eui-Young Choi (Yonsei University), Eun Ju Chun (Seoul National University)

3:05 p.m. – Coronary MR imaging: Current status and future, Recent advances of CMR
Hajime Sakuma (Mie University)

3:30 p.m. – Recent update of basic MR research in cardiovascular system
Hyeonjin Kim (Seoul National University)

3:50 p.m. – CMR in cardiomyopathies
Kunihiko Teraoka (Mie University)

4:10 p.m. – Clinical research on cardiomyopathies
Seung-Pyo Lee (Seoul National University)

4:30 p.m. - Discussion

4:50 p.m. - Break

Chairpersons Tae Hwan Lim (Ulsan University)

Panels Whal Lee (Seoul National University), Sang IL Choi (Seoul National University), Sung-A Chang (Sungyunkwan University) ,Yong Jin Kim (Seoul National University)

5:00 p.m. – Four-dimensional Cardiac MRI in a Single Breath Hold
Chang-Beom Ahn (KwangWoon University)

5:25 p.m. – Future perspectives of CMR and MDCT for the assessment of myocardial ischemia and viability
Kakuya Kitagawa (Mie University)

5:50 p.m. – CMR evaluation for functional recovery in patients with surgical revascularization: focused on SNUH research
Eun-Ah Park (Seoul National University)

6:15 p.m. – Quantitative assessment of myocardial blood flow with CMR
Masaki Ishida (Mie University))

6:40 p.m. - Discussion

7:00 p.m. - Dinner
